

# PEBBLE MINE POLLING UPDATE

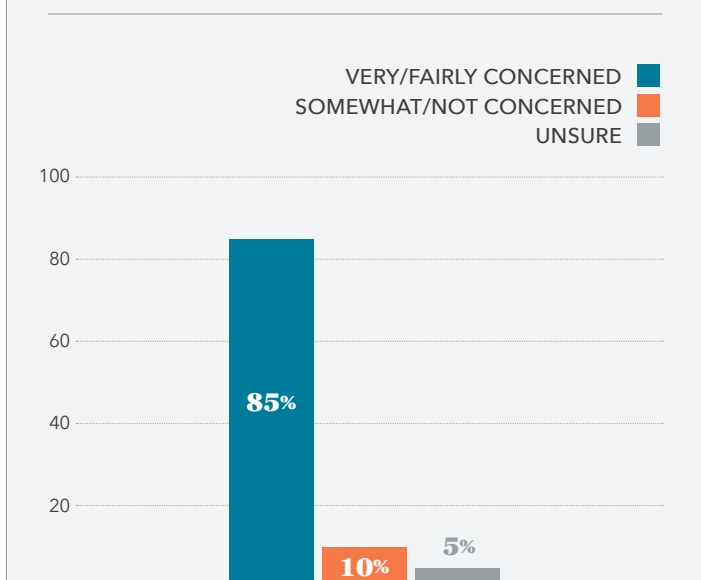

## Alaskans remain opposed to Pebble mine

OPPOSE SUPPORT

## BBNC Shareholders are overwhelmingly opposed to Pebble mine

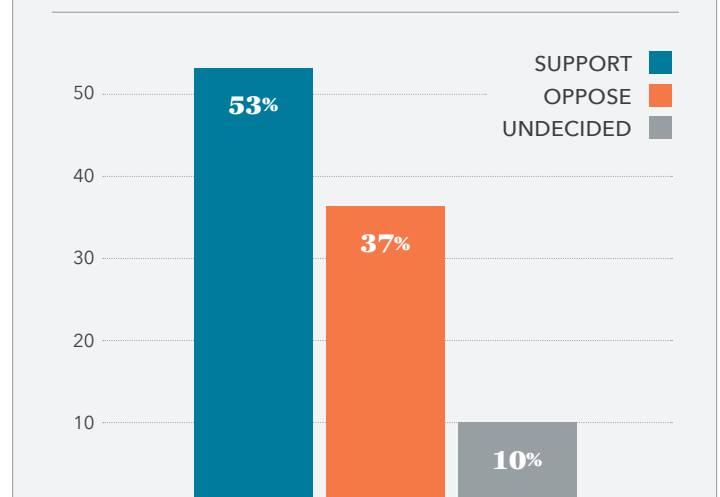

How concerned are you about the potential risks posed by Pebble Mine to Bristol Bay and its salmon runs?

Numbers based on a 2019 survey of more than 4,000 BBNC shareholders.

## Alaskans support federal legislation to provide additional protections for Bristol Bay

While the EPA's use of the Clean Water Act to block a potential permit for Pebble effectively prevents its near-term development, some are concerned that a future administration could undo or weaken the EPA protections. Would you support additional federal legislation that would strengthen protections for Bristol Bay?

Data for this graph and the February 2024 Pebble mine opposition graph are based on a February 2024 survey of 800 registered voters in Alaska.
